THE GRAPES OF WRATH

JOHN STEINBECK

The Dust Bowl hit during the height of the Great Depression and combined with the mechanization of farming, many sharecroppers were evicted from the land their fathers had previously owned for generations. Nobel Prize winning author John Steinbeck takes us into this world with the Joad family who, now homeless, find themselves unexpected migrants on the path to California and what they believe is the promised land. A poignant tale of devestation, hope, and sarrow.

The Pulitzer Prize winning classic from John Steinbeck
